Hi Kaylee!

As in years past, we will have a series of photos and images to show behind CM O'Farrell while he is delivering his speech - "slide show" style.

My colleague Kevin Brunke (CCed here) will be the point person to be in the back of the room at the A/V booth; he will work with your designated person to ensure the photos are synced and displayed properly.

By what date/time do we need to get you the photos?

Thanks!

DAN HALDEN

Excellent- Daniil is with the Taglyan and Christina is working with the Chamber to get the AV needs met. I am guessing that would like these items asap but copying them here to connect with Kevin re; details.

Thank you everyone!
Kaylee
